Subject	REVO [insert your group reference name, for example Spry] rGroup - Welcome!

Happy Monday!

We just wanted to reach out and introduce the rGroup as well as give some information about the rGroup.

When

Our rGroup is on [insert day and time of rGroup] **starting [**insert first meeting date]**.**

What

We will be looking at the topic [insert content topic]. While [insert leader(s), co-leader(s) name(s)] will lead in a lot of the information given, please know that this is NOT meant to be a lecture but a discussion. This means every week there will be discussion questions sent in a weekly email that we will then discuss in group and you should always feel free to bring any questions or thoughts to the group from the content.

Where

This rGroup will be held at our house, [insert meeting place address].

If you know of anyone else that might want to join or anyone who you think could benefit from being a part of this rGroup, let us know or feel free to invite them yourselves.

Always feel free to reach out if you have any questions or need anything!
