We are running a course for students and 20s who would like to be trained in leadership, either within church ministries or outside the church. The goal will be to train you to grow in leadership in the areas that you're already taking a lead in, so that you will be able to lead in a more effective and Christlike way in the future.

Who is it for?

Any students and 20s who are part of Churchcentral South who are already taking on some leadership responsibility either in church ministries or outside (whether in a Christian context or not eg work, charities, community/student groups).

What will it consist of?

The course will start in October 2025 and will consist of:

- Four meetings on Sunday evenings on 19th October, 23rd November, 8th February, 15th March.
- Coaching groups based around general accountability and discussing live leadership challenges.

One part of the course will be going through the book LEAD by Karl Martin which people will read over the summer. In this time, there will also be a leadership audit to think through and fill in.

How can I get involved?

To apply for a place on this course, you will need to fill in an application form. We will have limited spaces and applications will only be open until Sunday 15th June. The application form is available here: www.churchcentral.org.uk/lead
