During your time with us, we want you to...

Ask for help: Our aim is to make sure you feel able to reach out for help in the ups and downs of life and encourage you to be a source of grace and help to others in church community.

Abide with God: Spending time with God is vital for our faith journey. We want to encourage and equip you to abide with Him.

Develop real friendships: We love to see real friendships being made in our church community. Friendships which love deeply, have grace for one another and point each other towards Jesus.

Be an apprentice of Jesus: We want to encourage a humble learning attitude towards growing in your faith, sitting at the feet of Jesus and asking lots of questions to those in our wider church community who have been apprentices of Jesus for many years.
