Get involved

All
students
& 20s
welcome

Alpha: A place to explore faith and God, whatever your starting point.

Breathe: Extended space to be with God, worshipping and listening to Him together.

Central: Monthly gatherings to connect with one another and God. We'll worship together and explore teaching from the Bible.

Community Groups: Smaller groups to build a sense of family together and go deeper with Jesus. We'll eat, build relationship and engage with God. We have student groups, or you can choose from our wider church community groups and get stuck in that way.

Rooted Birmingham: Rooted is Wendy Mann's Equip ministry, focused on anyone aged 18-35 who wants to grow in their relationship with God and step into the Kingdom influence they're called to have.

Venue: Oasis Church.
