## Welcome to the Movement School of Biblical Leadership

We are honored that you are considering MBLS. We believe God is raising up a generation of bold, biblically grounded leaders for such a time as this—men and women unashamed to live out the gospel in every area of their lives.

As you explore this opportunity, we encourage you to take it to the Lord in prayer. Ask Him to reveal His heart for you in this season and listen for His leading. If you feel called to join us, we cannot wait to walk this journey with you. We believe you will discover new levels of freedom, purpose, and breakthrough like never before.

With love and expectation,

Pastors Seth and Lori Adgate

## ABOUT MBLS

Movement Biblical Leadership School is a two to three-year program designed for those who feel called to a higher level of leadership and ministry—whether in the marketplace or five-fold ministry. At MBLS, we are committed to raising biblical leaders who embrace freedom, have a deep understanding of God's presence and Word, and are equipped to lead everywhere. Movement Biblical Leadership School exists to develop leaders by leading them into freedom through daily encounters with God.

We believe that biblical leadership begins with leading yourself well. You will learn how to lead others into freedom from the overflow of your daily encounter with God. During your time at MBLS, you will engage with the Holy Spirit through:
