THE T KINGSTOWNE COMMUNION

EXTENDING THE TABLE

Thank you!

As a small gesture of our gratitude at such a defining moment for our church, we would like to gift every household who submits a new, updated, and/or increased 2026 pledge with a framed print of this piece by artist Scott Erickson, titled *Giver: A Place at the Table,* and a reminder of this profound truth...

Faith is less about getting the Giver of Your Life's attention, and more about awakening to the voice and work and call of the Giver already in your life.
