Note From Ron

I'm so excited for you to see this financial update! Inside, you'll discover how your generosity has been at work—fueling ministry, changing lives, and advancing the mission of Vitalpoint Church.

If you've given to Vitalpoint over the past year, please know this: your giving has made an eternal impact. Together, we've seen hundreds of lives touched by the hope of Jesus across our sites and beyond. What I love most is how your generosity reaches far past our region.

Through our partnership with Vitality India, we're now supporting a network of over 30 churches and pastors planting in small villages throughout rural India. It's a powerful reminder that Jesus designed His Church to influence the ends of the earth—and that's exactly what's happening through your faithful giving.

Thank you for being part of a growing community of people who trust God, give generously, and believe in what He's doing through Vitalpoint. Because of you, lives are being transformed—here at home and around the world. With gratitude,

Ron Baker

Lead Pastor

Story of Impact

The Common Plate: Building Community Through Shared Meals

Every Tuesday night in Exeter, The Common Plate gathers 150 to 180 people from every walk of life to share a meal and meaningful connection. What began as a simple idea—to serve food to those in need—has become a beautiful picture of God's heart for community. Each week, churches, local organizations, and volunteers come together to cook, serve, and eat side by side, blurring the lines between server and guest.

But it's more than just meals being shared—it's lives being connected, hope being renewed, and a sense of belonging being restored in our town. We're witnessing friendships form, barriers break down, and hearts experience the love of Christ through hospitality and presence. The Common Plate has become a reminder that when the church opens its doors and tables, the whole community is nourished—body, soul, and spirit.
