FAMILY GUIDE

0-5TH GRADE

TRULY I TELL YOU, IF YOU HAVE FAITH THE SIZE OF A MUSTARD SEED, YOU CAN SAY TO THIS MOUNTAIN, "MOVE FROM HERE TO THERE" AND IT WILL MOVE. NOTHING WILL BE IMPOSSIBLE FOR YOU."

MATTHEW 17:20

WELCOME

The church of Switzerland Community Church is a non denominational church based on the foundational truths taught in the Bible. All of our teaching and ministry is rooted in and flows out of these biblical doctrines. Radiant Kids is a ministry that partners with families to lay a foundation of faith in the lives of children.

We are committed to creating an environment that is not only safe but fun where kids of all ages can encounter Jesus. Each Sunday, children ages 0 through 5th grade experience God through worship, large group lessons and small group discussions. Our goal is that each child will develop a solid foundation of faith, engage in meaningful relationships with leaders and learn to shine brightly and boldly for Jesus to their friends and communities.

We truly believe that God has called parents as the primary disciplers of their children, and our role is to support you in that journey. We do this through partnering with you through every season and stage through bible based curriculum, devotional resources, prayer and more. We want to walk alongside you as you raise children who love the Lord and each other.

RADIANT KIDS PRESCHOOL

Radiant Kids begins with Basecamp Babies and Tinny Trekkers, a split class for children ages 0-walking and walking-2 years old. In this space children are engaged in the gospel through songs, games and being loved on by our amazing serve team. No formal curriculum is utilized in this space, with the focus being on providing a safe and comfortable environment for the children and confidence from the parents in our serve staff.

Our Explorers class serves children ages 3 and 4 years old who are not currently in VPK. These children begin to participate in curriculum that follows a 3 year rotation with 12 simple truths. These truths build a foundation of faith as they discover who Jesus is through interactive bible videos, small group talks, crafts and dynamic games!

FAITH THAT MOVES MOUNTAINS

MATTHEW 17:20

RADIANT KIDS ELEMENTARY

We believe in the power of family worship, and the importance of modeling this to your children. Children VPK through 5th grade are encouraged to sit with their families during worship and are dismissed to Kids Ministry afterwards. This allows children to observe their parents worship but also participate in communion as a church family on the first Sunday of the month.

The kids then enter into our Large Group time with a time for offering, dynamic bible videos and interactive games. Children leave our large group area and dismiss into Team Time, small group settings divided based on grade level for discussion, intentional prayer, crafts and games.

DROP OFF AND PICK UP

To make your first visit as easy as possible we have an in person registration process for you and your family. This area is located in our main lobby, you may use any of the stations to both register children and check them in. Once children have been checked in, you will receive a name tag that goes on the child and a matching "Security tag". All children and adults entering into the Kids Building must have a sticker or security tag.

Once checked in, children ages 0 through 4 are able to proceed to the Kids Building where a Safety Team Member will allow you entrance to drop your child off at their classroom. Once your child has been entrusted into the care of our Serve Team, you may proceed back to the Worship Center.

Children ages VPK through 5th grade join their families in worship and are dismissed into Radiant Kids Ministry after worship, exiting the Worship Center together. If we need to reach you for any reason, we send a text message to your phone through our messaging system.

When you re-enter the Kids Building for pick up, you will need to verify your security tag with the safety team. Remember that the leaders in each classroom will have to verify your security tag with the code on your child's tag before he/she is released into your care. In the even of a lost sticker, please return to the main lobby where a staff member can verify your information.
