

Institute of Islamic Studies

In this largest Muslim-majority country, we were the liaison between Global Initiative's Institute of Islamic Studies program and the national-level leadership of our host church fellowship. We helped organize three-day seminars held in five cities located on various islands last month. There were 346 pastors and church leaders who attended and were better equipped to reach their neighbors and to train their church members to do the same. The pictures above are from these seminars.

New Area Director

Our former Area Director for Southeast Asia, Sam Bowdoin, was promoted to be the Administrator on the AGWM Executive Committee. We have been appointed as the new Area Director for Southeast Asia which covers the countries of Brunei, Malaysia, East Timor, Indonesia, Philippines, and Singapore. We will continue to live and serve out of Jakarta, Indonesia. Please pray for us as we step into this new role and responsibility. We are honored and touched to serve in this new position.

Field Conferences

Last month, we also attended the annual field conferences in the Philippines as well as in Indonesia. This allowed us to meet with many of our workers who we will be serving as their new Area Director, and we are thankful that we had this opportunity.

ICI Ministries

Scott was also appointed as the President of the ICI Ministries in the Philippines. This ministry was established 57 years ago with a goal to proclaim the Word of God through printed materials putting quality resources in the hands of people from all walks of life. Myrna Tamares is overseeing the day to day operations of this ministry, and we are thankful for her faithful service in this role.

Family Update

Rebekah and Preston, raised their needed financial support and moved to Lithuania on July 16 to serve with a Christian university in the city of Klaipėda. Please pray for them as they adjust to their new culture, language, city and work. They will continue to impact lives for eternity, and we are thankful for their faithful service to the Lord.

Prayer Requests

There have been many changes for us and our family in the last 60 days, and we are thankful for the amazing opportunities that each change brings. We know that prayer is a vital element of anything that we want to accomplish with an eternal impact. We want to thank each of you for your prayers and financial support that allow us to serve in Southeast Asia. May God bless you abundantly.
