TO ITALY**

Stagione estiva a Milano e Monza - luglio, 2025 *(Summer time in Milano & Monza – July, 2025)*

Greetings from Monza,

Time in Northern Italy has been moving as fast as the heat has been rising. We are excited to share with you some highlights from the last few months.

Back in May, we got the opportunity to join with other Global Workers throughout Europe for a time of rest and renewal. It was a great time to not only to join together in prayer and worship, but to also for fellowship with old friends and new.

One of the highlights from that time, was getting to talk with Jacob Bock. 25 years ago, he came to speak at children's church. It was shortly after that, God called me (David) to be a missionary. And here we are 25 years later, co-laborers in Europe.

This past month, we had an incredible opportunity to spend a day at

one of the Assemblée di Dio Kids Camps. We were able to sit and join in the services, and had opportunities to listen to and encourage different children's ministry leaders throughout Northern Italy. Children with special needs or needing special attention is on the rise, and many leaders are looking for solutions. We were able to give some suggestions that may help in the classroom, and look forward to more conversations in the future.

Over the past few months, we've started to host a life group in our home. We've had great fun fellowshiping together, enjoying delicious meals, playing games, and praying for one another.

Although, with the summer months, we are taking a break from groups, we are already planning out the next semester.

Pregate con noi... (Pray with us...) Here are a few prayer points for the coming months.

1. Life in the city – although we are getting better, please pray with us that we can continue to grasp the Italian language – primarily in our responses. Also, soon we will be starting to use bikes as part of our transportation, and there will be times we will need to be in the street instead of the sidewalk.
2. Children's ministers in Italy – Pray for encouragement and strength. And pray for favor, wisdom, and that we can have future

interactions with leaders to build them up and equip them as needed.

3. Last, but certainly not least...The Children of Italy – an ongoing prayer, that children in Italy (and all around the world) would become on fire for Jesus with a passion unlike any generation before them.

Thank for all your support!

Stay blessed,
David & Autumn Covello
