

“The Book of Acts is basically the record of three aspects of the Holy Spirit’s work:

- ✓ Empowered Gospel preaching
- ✓ Thousands of conversions, and
- ✓ The consistent establishment of local churches.”

-- Mack M. Tomlinson (*author of the Ravenhill Biography*)

## FUNDAMENTAL INFORMATION

Title Means: DEEDS; WORKS; LABOR; \_\_\_\_\_ – of the Apostles

Chapters: **28** Verses: **1,007** Words: **24,250** Prov 30:5-6; Ps 12:6-7; Deut 17:14-20

Author: **Luke** Notes: See Acts 1:1 and Luke 1:1-4. Luke is a physician...a detail man!

Historical Time Span: Approximately 65 AD to 70 AD

Theme: The setting aside of Israel (temporarily), the revealing and establishment of the church, and the gospel of the grace of God.

## THREE BASIC APPLICATIONS

1. Historical Luke writes to Theophilus about Israel’s final rejection of the kingdom of heaven and records the movement of the **HOLY GHOST** through the church to a primarily Gentile world. It is a **TRANSITIONAL** book (from Jews to Gentiles, from Jerusalem to Antioch, from Peter to Paul, etc.)
2. Doctrinal The events of Acts will be repeated during the **TRIBULATION** period by the 144,000 Jewish virgin witnesses. Just like the apostle Paul in Acts, so will the 144,000 be.
3. Devotional Jesus leaves and replaces Himself with His Spirit. He reveals His church who takes ownership of His work with the Word of God. We must not fail to do our part to finish all that Jesus began both to **DO** and **TEACH**.

**NOTE:** The book of Acts is the **foundation** for church history. Read it often, make yourself a copy, study it, and teach it until the Rapture. Most false religions take something from the book of Acts and make it doctrine not knowing that it is a **transitional** book!
