

“Transition”

Isaiah 43:19; Deuteronomy 31:8; Jeremiah 29:11

~A.L. Moss, Sr., MTh

Introduction: You're not lost. You're not broken. You're not going backward. You're in transition! That tight, unfamiliar, in between feeling? That's not confusion, that's how it feels when God is moving you from one dimension to another! Old doors are closing. New ones aren't open yet. And everything in you wants to run back to what's comfortable! But don't mistake discomfort for disobedience. God's not punishing you, He's positioning you! This is the part where your faith grows legs. This is where your roots grow deep. This is where the new version of you can carry the next level.

What Transitions Really Feel Like!

Transitions Are Holy Interruptions. They feel like:

1. Disorientation
2. Uncertainty
3. Restlessness
4. Isolation
5. Silence from Heaven

Why? Because God is disrupting the old to make room for the new version of you. The worst thing you can do in transition is run back to what's familiar.

“Transition Is Not Delay, It's A Divine Reset”

Transition seasons are not wasted time, they're training grounds. God uses transition to:

- 1) Kill Pride
- 2) Stretch Obedience
- 3) Test Identity
- 4) Break Cycles
- 5) Prepare Your Character For What Your Calling Is About To Carry

You're not lost. You're in the middle of a holy recalibration, *1 Peter 5:10*.

“This Is Why The Enemy Hits You In Transition”

The enemy thrives in transition seasons because:

1. You're Vulnerable
2. You're Tempted To Self-Sabotage
3. You're Most Likely To Accept Less Because You're Tired Of Waiting.

But transition is not the time to settle. It's time to press, pray and shift. God's silence is not His absence. It's your summons to stillness! Pray for clarity in the middle of transition!

P.S. Your gift was never meant to grow in the dark alone! You need covering, correction & community! At Agape we want to give that to you because without; it can feel like torment instead of a tool! Alone, it can open you up to warfare you weren't built to handle yet! It'll turn discernment into suspicion! ***My people are destroyed because of a lack of knowledge. Hosea 4:6.*** I don't want to have Revelation without Responsibility! This is about order & spiritual responsibility!
