MISSION IN FOCUS NATHAN & MARTHA, NORTH AFRICA

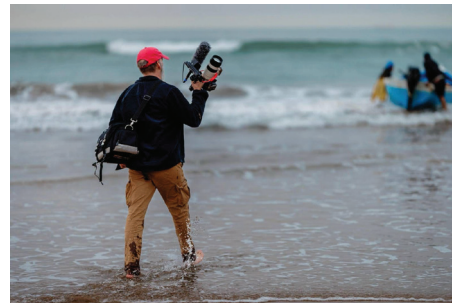

We work for an organization that uses videos to reach Muslims in northern Africa. It's been a busy year since we last gave you an update. Here's what we've been up to:

- Completed three film production trips into North Africa and the Horn;
- Secured an office space and housing at our base in Italy;
- Released the short film *Using What I've Got*, and two additional non-branded videos;
- Completed *Christ's Love Compels Us*, to be released soon;
- Launched a stock video website which provides an authentic identity in the 12 nations we serve;
- Conducted 12 testimony interviews of believers from a Muslim background.

Why non-branded film projects? Some films cannot be associated with our company, as it would jeopardize colleagues or local believers.

Prayer Requests:

- For our films to reach many unreached North Africans with the invitation to follow Jesus.
- For our co-worker and six others serving 7- to 14-year prison sentences in Libya for their faith, to know they aren't alone.
- For continued progress in studying Italian.

September 6 & 7

GOD'S KINGDOM MOLLY LEACH

Being part of Summer Escape, our summer camp for kids and families, for the very first time was incredible. I had the joy of serving as a leader for Team Joseph, alongside Teresa, and I witnessed firsthand how powerfully God is at work through this ministry. One of the most unforgettable moments was when four kids in our group made the life-changing decision to accept Jesus as their Lord and Savior. Watching their hearts open to the truth of God's Word was nothing short of miraculous—a beautiful reminder that He is always moving, especially in the lives of children.

The kids especially loved the freedom to explore the marketplace. It gave them a sense of independence and joy, and it was wonderful to watch them interact, make choices, and soak in the excitement of the experience. Pairing that with meeting Joseph and hearing his story led to moments of laughter, connection, and even deep conversations.

Throughout the week, the children delighted in pointing out "God Sightings." From the mountain views to breathtaking "cotton candy skies" at sunset, they recognized God's presence woven into creation all around them. These moments opened their eyes to how God speaks through beauty and wonder.

Another highlight was worship. The kids quickly memorized the songs and sang with so much joy and enthusiasm. Those lyrics became seeds planted in their hearts, and together they grew in unity—even creating a tribe cheer that captured their spirit.

It was a week filled with growth, joy, and God's unmistakable presence. Summer Escape was more than an event—it was a glimpse of His Kingdom at work.
