WE ARE THE APOSTOLIC CHURCH OF GOD

The **Apostolic Church of God** is a church doing the work of the Lord. We are a church of **5 generations**; serving **children, teens, young adults, adults, middle-aged and seniors**. We have more than **50 ministries** that assist the body of Christ with spiritual growth and development, while growing in the knowledge of our Lord and Savior.

Our ministries serve age and gender-specific members, as well as those who are single or married, those battling breast and prostate cancer, and those facing challenges of living in impoverished communities.

For nearly **94 years**, the **Apostolic Church of God** has been a beacon of light for not only our membership, but also for the Woodlawn community. Our mission is to spread the great gospel of Jesus Christ to the world, as we magnify our great God!

DR. BYRON T. BRAZIER

THE LEGACY CAMPAIGN

TRANSFORMING THE FUTURE

“A Good man leaves an inheritance for his children’s children...”

Proverbs 13:22

LEAVING A LEGACY

The Apostolic Church of God has been shown great grace while being extremely blessed with beautiful Sanctuaries, a first-class Banquet Hall, a welcoming Family Center and gymnasium, and even the church pews. All of these blessings of ACOG were gifted to us by the generation before us. As a church family, we’ve been left a great inheritance, and we have a responsibility and the accountability to be a blessing to the generations to come. We have established the ***Legacy Campaign, Transforming the Future Endowment Fund.***

Through the endowment fund we will be able to advance the future of our children through education in the form of scholarships, we will remain current with the advancement of technology via communication allowing us to reach the world with message of Jesus. We will continue to impact our members and community through our ministry development and we will ensure our buildings and infrastructure remain intact as we make all the necessary repairs on our beautiful edifice.

Our Evangelism of Grace Ministry is having our Community Pop-Up – serving our members and our community in need. They are also hosting a Social Media Workshop to teach you how use platforms and spread the gospel.

We're also hosting two important events concerning employment, our Workforce Development Resource Fair for those looking for a job or career change, and our workshop on DEI, how to remain relevant and promotable in the work place.
