Here I am, Lord. Send me!

Please pray for our missionaries, who give their lives and hearts daily for the sake of the gospel.

- That the conflict does not cause division within and between Russian believers.
- That God will be glorified in the midst of the conflict.

ALLEN & DEEDEE IOBST

Allen and DeeDee are international staff with Cru, serving in France with Beyond North African Borders. An estimated 13 million North Africans live, work, and study in Europe, which is more people than in several North African nations. It is strategic to reach this diaspora with the gospel in Europe where they have the freedom to accept it; and in their own heart languages, so that they can understand it. To reach them, they have ministries to North African students, to travelers, and to community members in Europe.

I continue to serve in Uganda 2-3 times a year in emotional trauma healing outreach and facilitator training, leading Debrief and discipleship seminars with Ugandan nationals, expats, missionaries, and onsite medical clinics. I also administer and oversee a feeding program in the Bidibidi Refugee Settlement year-round.

JEAN LEGTERS

Jean currently lives in Merida, Mexico, located in the Yucatan peninsula. She teaches piano at the San Pablo Seminary, which was established by her husband. As she is the only teacher living on campus, she is house mother and counselor to the students. She visits four different remote village congregations. She takes her keyboard to accompany the service and brings a lay minister with her, to preach. She hands out Bibles, hymnbooks, and other Christian literature to each village for pastors and church leaders who have no access to a Christian bookstore. Jean also plays piano at her own 135-year-old church!

"For, 'Everyone who calls on the name of the Lord will be saved.' How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: 'How beautiful are the feet of those who bring good news!'" Romans 10:13-15

Trinity has partnered with BEST since 2005, providing Scholarships for Seminary Students as well as funding the Missiology Chair. Trinity has sent individuals and teams to Bangui and Yaounde' regularly over the years. Perhaps most important, however, is the on-going relationships which have been forged between Trinity volunteers (as the face of Trinity) with Leadership, faculty, and students at BEST during face-to-face encounters. As a result, Trinity is known to be a caring partner in the on-going mission of BEST to provide rigorous, in-depth, Bible-based education.
