BIBLE CHAPEL

*Building for Mountainside's Future*

# GROWING TOGETHER...

2024

CAPITAL CAMPAIGN

## 1894 - 2024 A HISTORY OF GROWING

In 1894 the South Schroon Community Church was established and continues now as Mountainside Bible Chapel. With major expansion projects in 1966, 1984, and 1989, today we enjoy the facilities envisioned and enacted by these past congregations. Now, we get to continue their legacy by building into the future of Mountainside with a renewed vision for how our facilities can serve people as they **CONNECT**, **GROW**, and **SERVE**.

## Growing Today

Between programs specific to Mountainside Bible Chapel and those open to community groups, well over 500 people are using our facilities weekly! That's a lot of lives given an opportunity to **CONNECT** to a vision of who God is through Mountainside.

- Weekend Services - 350
- Children/Youth Ministries - 100
- Ministry Groups - 75-100
- Community Groups - 100+
- Registered Fitness Room users - 400+

## CONNECT, GROW, SERVE

At Mountainside we seek to love God and love others, revealing an authentic relationship with Christ in all the places we live, learn, work, and play.

As Jesus is revealed in our lives, people are invited to **CONNECT** with what they've seen of Him and respond in faith. They are encouraged and equipped to **GROW** deeper in their relationships with God and others, and then to live out His work in their lives as they **SERVE** those around them.

Our facilities have become integral to how this happens. Providing space for community groups to gather, our church family to be equipped and encouraged, and ministry groups to serve together, God is making Himself known through all that is happening on campus!

The faithful generosity of God's people has allowed Mountainside to reveal Him in unique and meaningful ways. Now, as we prayerfully consider the work God is doing in and through Mountainside, and the stewardship of our facilities, we are excited to continue growing!

# GROWING INTO THE FUTURE...

As we continue to SERVE our church family and community, our facilities open doors to show the love of Christ in very practical ways. Stewarding this opportunity means maintaining and improving what God has provided. With the growing use of our campus, several areas require urgent attention.

*Having Mountainside as a resource for our students at Schroon Lake Central is incredibly valuable, particularly for activities like archery and basketball practices, where time and space can be limited at school. We are truly grateful for their willingness to open their doors and support our programs.*

*Schroon Lake Central School  
Athletic Department*

*The Youth Center at Mountainside has been a critical component of the Sober Active Recovery Adirondacks (SARA) program and is invaluable to the members of the community. Thank you Mountainside for helping SARA and the recovery community by making this asset available to everyone!*

*Sober Active Recovery Adirondacks*

## Thank you, Mountainside...

*I moved to the area and found a church home where I could belong.*

*I grew up in Sunday School at Mountainside and now I teach kids in Sunday School at Mountainside.*

*My teen attended youth group, heard the gospel, trusted Christ and was baptized.*

*I am a missionary who has been supported by Mountainside during my entire ministry.*

*I invited a friend from work to church, they were saved, and now are serving in the church.*

## WILL YOU HELP US BUILD INTO GOD'S WORK AT MOUNTAINSIDE?

### PHASE 1 GOAL: \$150,000
