# DARE TO HOPE

## SANCTITY OF HUMAN LIFE SUNDAY

Sanctity of Human Life Sunday is a powerful reminder of the intrinsic worth of every human being. It affirms the vital need to honor and safeguard life at every stage—from the moment of conception to natural death. Let this day be an invitation to reflect on how one choice can shape lives, spark hope, and bring lasting change. Even a single act of courage or compassion can influence a family, a community, and beyond. Life Choices stands ready in our community to support women and men facing unexpected pregnancies, offering care, guidance, and hope in times of uncertainty.
