

## Ministry Residency | College

### **Description:**

The Restoration Ministry Residency is designed to give recent college graduates practical, hands-on ministry experience, while at the same time creating value for Restoration Church Bryan as a whole. Through this opportunity, Restoration's residents will commit to deepening their walk with Christ, growing in theological and biblical understanding, helping in their area of ministry, and engaging in life-on-life discipleship with other growing believers within the church. Ultimately, this residency position is not designed as an on-ramp to becoming a full-time Restoration staff member, but rather to spur on and launch each resident wherever the Lord leads them next.

### **Roles and Responsibilities:**

#### **College Ministry:**

- College Team Meetings
  - Regularly meet with the college team to strategize how to best serve the college ministry.
- College MCG Leader Coach
  - Help equip, coach, and shepherd the College MCG leaders.
- College Leader Retreats and meetings
  - Help plan and lead the MCG leader retreats (fall and spring) and monthly meetings.
- Ezer/ Sojourn Events
  - Assist in planning and executing these events each semester, while creating and working alongside a college team.
- College Worship

- Assist in planning, promoting and executing this event each semester. This will involve working with the Worship Team and possibly teaching at the event.
- Summer College MCG
  - Assist in organizing and building the summer college MCGs.
- Spring Retreat
  - Help plan and execute the Spring Retreat for the ministry.
- Self Start
  - Residents are expected to be self starters who are looking to help further the mission and ministry under the guidance and supervision of the College Ministers.

### **Theological and Biblical Education:**

- Meet with Matt and other Ministry Residents once per week to cover an aspect of Biblical and theological education.
- Topics included:
  - Matthew & Gospels Overview
  - Acts
  - Major Bible Doctrine
  - Pentateuch
- In addition to the classroom setting, residents will be required to complete a project or assignment as a supplement to each Bible/ Theology unit covered such as:
  - Bible Charting
  - Practical & Ministerial Response Paper
  - Reflection Question Responses
- Perspectives
  - If you haven't already completed the course at the certificate level, anticipate taking this course.
- Commit to and complete a Bible in a year reading plan during your time as a resident.

### **Other:**

- Residents will work alongside the college team, reporting to Ben Chubb (College Minister).
- Residents will have regular meetings with Matt Ullrich in order to check-in and provide mutual feedback regarding the residency.
- Residents will be expected to use Google Workspace and keep their google calendar up to date as being an active participant of the Restoration staff family.
