Paul left Damascus because the Jews were plotting to kill him. He didn't leave because he was a coward, but he knew he needed to keep telling others about God! He didn't run to somewhere safe, but back to Jerusalem where he had been prosecuting people. Do you think they trusted him? How can we see people the way God sees them?

Our memory verse this weeks says that when we show love and acceptance to others, we show others how amazing our God and HIS love is! Rewrite the memory verse as a prayer you can say this week (and longer!) to help you remember.

Romans 15:7 as a prayer...

God, help me to...

Knowing Jesus loves and accepts us helps us learn to love and accept others! Can you think of some ways that you and your family could show love to others in our community? Write some ideas below and share them with your family.

A large empty rectangular box with a black border, intended for writing ideas on how to show love to others in the community.

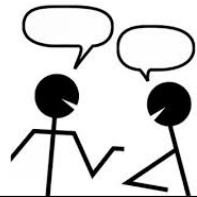

Memory verse:

Romans 15:7

Look up the verse, write it down, and memorize it this week.

God wants us to accept and love others even if they are different from us and even if they may not treat us well. We are ALL children of God! Follow the directions and think about someone who is different from you that you can pray for.

What does it mean?

Reception is when you receive something, accept something or someone or welcome someone or some idea. Would the early Christians receive Paul when he returned to Jerusalem? He persecuted them! Would you?

Memory verse:
Romans 15:7

“Therefore welcome one another as Christ has welcomed you, for the glory of God.”
