This week we will see a video sermon from Pastor CJ getting us back into the book of Acts. We'll review what we've been learning about the church and how it started. God used regular people to continue Jesus' work on earth. He can use us, too!

church

What does it mean?

The church is a building where we come together to worship God, but more importantly, the church is a group of people who believe in Jesus and gather together to learn, pray and be kind to one another.

God wants us to be part of a church family that takes care of others and worships Him together. God uses ALL of us to build His church. You are a part of that, too! Draw yourself in the picture of the church below because YOU are part of the church!

Memory verse: Acts 1:8

'But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the ends of the earth.'
