From Adventure:Kids: Please pray for our Adventure:Kids ministry as we walk alongside children and their families this season. Pray for our kids to know, from an early age, that they are deeply loved by God and that their hearts would be open to learning about Jesus. Pray that Adventure:Kids would be a place where they feel safe, welcomed, and excited to grow in their faith. Pray for our leaders and volunteers, that they would be filled with joy, patience, and creativity as they teach, guide, and care for each child. Pray also for families, that what children learn on Sundays would overflow into their homes and everyday lives. Most of all, pray that these kids would build a strong foundation of faith that will carry them through every stage of life. Pray for more volunteers to join the team for Adventure:Kids and the nursery.

From Worship and Tech: Pray that we can lead with servants' hearts, that we can do the behind-the-scenes things knowing they help others experience Jesus, and that what we get to do fosters connection on the teams and draws both us and our congregation more and more toward Jesus.

From Adventure App: Pray that having this interactive hub of information will help us access resources and connection tools so that we can feel better equipped to engage how God might be calling us to lean in here.

Pray for the ministries and groups of Adventure this year!

From Adventure Youth: Please pray for our Adventure Youth ministry as we step into a new school year. Pray for our teens, that they would feel God's presence with them in the midst of both challenges and opportunities, and that Adventure Youth would continue to be a safe place where they can bring their real questions, doubts, and struggles. Pray for our youth leaders, that God would give them wisdom, patience, and courage to walk alongside students and help answer tough questions with both truth and grace. Pray also for strong friendships to form among our students, friendships that encourage and strengthen one another in faith. Ask God to help our youth be lights in their schools, homes, and activities, living out their faith in everyday ways. Pray for protection over their hearts and minds as they face cultural pressures and distractions, and most of all, pray that each of them would grow in their personal relationship with Jesus, making their faith their own.
