To secure a child or chaperone camp spot the following items are needed:

\*Check, cash, or online payment of \$125 deposit per spot

\*HBC Medical Release Form - must be notarized. Remember do not sign the form until you are getting it notarized. A notary will be present at the first meeting, and there is one available during the church office hours.

\*A copy of the participant's insurance card, even if you are a chaperone.

Following the deposit and HBC medical form release, you will be emailed a digital Camp Waiver and Release form. Tracks times will be chosen, food allergies will be turned in, etc. I will inform you as these come up. Please make sure I have your current email and phone number.

We will have a final camp meeting in May and a camp schedule, packing list, and important information will be given.

Chaperones will complete an online Child Protection Training and a background check that the camp requires to be there.

I will purchase camper bags again this year that will include some fun camp swag such as a camp T-shirt and it usually has a camp logo water bottle in it too!

Camp is such a fun time, and the kids always have a blast. I really hope your child can participate with us this year.
