3 Bridge of Hope Children, 4 Sponsored Pastors/Missionaries

Sponsored Pastors: These are national workers, once they have become independently supported by their own churches, we are assigned a new national worker. We support thru prayer and finances.

Sponsored Children: Sponsorship provides help and hope that transforms entire communities. Sponsored child is the priority. Through GFA's community development approach, sponsored children are shown the love of Jesus Christ by meeting practical needs. Sponsorship provide solutions like basic health care, food, clean water and educational and community service opportunities.

Sunomoni Payeng

Your sponsored missionary since May 2024

I'm 53 years old and serving in Dhemaji Assam, India. My birthday is September 8, 1972.

My spouse's name is Babi Payeng, and our anniversary is April 16. We have 3 children.

My Testimony

How I came to know Christ: I was born September 8, 1972, into a Hindu family in Assam, India. Worshipping idols, visiting temples and celebrating festivals were an unavoidable custom in my family and society. Very orthodox in this tradition, my parents always instructed me in these practices. Growing up, I became a devout follower of many gods and goddesses. Our religion taught me to attain 'moksha' (salvation) by doing good works, however, I did not have the assurance of salvation. Not only that, I had no peace within. In order to find the peace I was longing for, I started roaming here and there and indulged in many sinful activities. The result was discouraging, and I was fully frustrated as the days went by. At last I came to know about Jesus Christ, the Prince of peace through a simple Gospel tract. It was given to me by a pastor who also shared with me about Jesus Christ and the peace, joy and salvation in Him. When I realized God's love for me, I surrendered myself completely to Him. I asked Jesus to come into my heart and be my Savior and Lord. Shortly after, I witnessed my Master publicly in water baptism. Immense peace and joy flowed within me at the moment I gave my life to Jesus. Since that day, my Redeemer began to lead me. Every day I enjoyed His wonderful presence, and learned from His Word. Gradually, my love for God increased, and I prayed to the Lord to reveal His beautiful plan for me. In answer to my prayers, my Master called me to serve Him. With a heart full of joy and gratitude, I dedicated myself to the glorious ministry and enrolled in a Gospel for Asia Bible School to be equipped for the same. How I am serving the Lord: I serve the Lord as an evangelist among the Hindus in India. I share the Good News through visiting houses, holding home prayer meetings, distributing Gospel tracts and planting churches. Please pray for me and my wife, Bobili, as we serve the Lord among the unreached. JT/RSP

Aranya Jamatia

Your sponsored missionary since December 2022

I'm 47 years old and serving in South Tripura, India. My birthday is February 8, 1978.

My spouse's name is Rina Jamatia, and our anniversary is March 11. We have 3 children.

My Testimony

How I came to know Christ: I was born February 8, 1978, into a Hindu family in India. Before I came to know the Lord Jesus personally, I was involved in sinful activities. And the power of evil had a strong hold on me. Then once I happened to meet an evangelist who handed me a Gospel tract. The servant of God shared to me of the love of Jesus in a very clear way. Listening to the Word, I was amazed to know that Jesus died on the Cross to redeem the whole of humanity from the power of sin. The humility of Jesus touched my heart, and I was moved within by His unfathomable love. Thus I realized my state as a sinner and decided to follow Jesus for the rest of my life. From then on I was filled with unspeakable joy and peace I had never experienced. Before long I was baptized in water. As I experienced the joy of salvation, I found time to share the Good News to the heathens around me. Thus I drew closer to the Lord, and He soon confirmed upon me His calling to do full-time ministry. And as I submitted myself to the call, the Lord gave me the wonderful opportunity to enroll in a Bible school. How I am serving the Lord: As an evangelist I serve the Lord mainly among the Hindus of India. And the different ministries through which I spread the Gospel of Jesus are tract distribution, house visitation, open-air meetings and church planting work. Please pray for me and my wife, Rina, as we serve the Lord among the unreached. RAM/RAM

Hemantha Hiran

Your sponsored missionary since December 2019

I'm 58 years old and serving in Jeypore Orissa, India. My birthday is April 26, 1967.

My spouse's name is Nandini Hiran, and our anniversary is May 22. We have 4 children.

My Testimony

How I came to know Christ: I was born April 26, 1967, into a nominal Christian family in India. My conversion happened in the year 1980 when I happened to visit an orphanage. As I had no clear knowledge of the Bible, I showed much interest to hear about Jesus from the pastor who had also visited the orphanage that day. My heart was filled with joy when I continued to hear the unconditional love of Jesus towards me. And in obedience to the Scriptures, I humbled myself to the Lord and believed Him as my personal Savior. Not long afterwards, I was baptized in water. I received many more blessings from the Almighty God, and I constantly communed with Him. Every day I prayed and meditated upon the Word which gave much joy and comfort to my heart. I also enjoyed the fellowships among the believers. Thus my walk with the Lord matured steadily and progressively. And even during the times my family and I faced persecutions from the nominal Christian community, I continued steadfast in the faith. In the meantime a revival meeting was conducted in my native village. While there, the Lord revealed His calling to me through one of His servants. I was very happy to hear God's definite plan upon my life, and thankfully, I accepted the call. Shortly thereafter, the Lord enabled me to enroll in a Bible school. How I am serving the Lord: I serve the Lord as an evangelist among the Hindus of India. And I propagate the

glad tidings of the Gospel through open-air preaching, literature distribution, home prayer fellowships, Sunday worship services, house visitation, and church planting work. Please pray for me and my wife, Nandini, as we serve the Lord among the unreached. 1

Kamalsingh Baghel

Your sponsored missionary since December 2007

I'm 43 years old and serving in North Central Madhya Pradesh, India. My birthday is July 10, 1982.

My spouse's name is Leela Baghel, and our anniversary is May 6. We have 2 children.

My Testimony

How I came to know Christ: I was born July 10, 1982, into a Hindu family in India. As a Hindu I grew up worshipping idols and involving in the rites and rituals of that religion. My life was in darkness and turmoil and longed for peace of mind. I searched for a God who could change my life through His peaceful presence. Initially I had to go through a period of depression, as I could not find the real God who could solve my problems. Finally a stage came in my life where I was about to declare that there was no God. At that juncture God started His work in my life to declare His authenticity and magnificence. When I was in tenth grade I became seriously ill. My father took me to many doctors and spent much money on me but nothing could restore me back to my original health. When I had lost all hope of being healed, a man of God visited us and shared the true Word of God. Understanding my lost and sinful state I asked God to cleanse me through His blood and receive me as His child. I felt the gracious Lord heed my prayer as I received spiritual and physical healing in my life. Divine peace and inexplicable joy filled my being as Christ took charge over it. Soon I was joined to the body of Christ in water baptism. My life took a meaningful turn as God started to burden me to be an instrument for His divine work. Comprehending the burden from God as a call for full-time ministry I enrolled myself in a Bible school. How I am serving the Lord: The Almighty God has commissioned me as an evangelist among the Hindus in India. I reach the unreached and the lost who thirst for peace and happiness through involvement in ministries like open-air preaching, literature distribution, home prayer meetings, house visitation, Bible study groups, work among youth, church planting and pioneer work. Please pray for me and my wife, Leela, as we serve the Lord among the unreached. AMW/RAM
