

Co-Pilot—Involvement

On a Sunday morning, the Co-Pilot plays an important role in leading our flyers on our ongoing journey to Jesus! The more consistency and continuity we have between Pilots and Co-Pilots, the better we can help our flyers succeed and grow. Our children are looking to us as examples of behavior and participation!

Before and during the lesson, ask yourself:

- **Did I review the Key Passage video and am I familiar with the Big Picture Question and Answer?**
- **Am I engaged in the lesson and sitting with the flyers?**
- **What specific activities can I assist with today?**

Engagement

- Sit with child during the story
- Reengage chatty/distracted kids
- Volunteer an example during discussion
- Participate in the Key Passage song

Activities
