Thirteen of the last sixteen chapters of the Book of Exodus contain instructions for building the tabernacle. The word *tabernacle* means “dwelling place.” The tabernacle was a portable tent where God met with His people. God wanted to dwell among them. (See Ex. 29:45-46.)

Moses had been on the mountain talking with God for 40 days. God wrote the Ten Commandments, the words of the covenant, on tablets. When Moses returned to the camp, he called all of the Israelites together and gave them the instructions God had given him. (Ex. 24:3-4)

God’s directions for building the tabernacle were very detailed. God was not trying to burden the people; He was trying to show them His holiness and absolute authority. God appointed Bezalel and Oholiab to oversee the building of the tabernacle, giving them wisdom, understanding, and craftsmanship. Every skilled person “whose heart moved him” eagerly worked on the tabernacle of the Lord. (See Ex. 35:30-35; 36:1-6.)

God gave the Israelites the tabernacle as a visual picture of His dwelling with them. The tabernacle—and later the temple that replaced it—was a temporary place for God’s glory to dwell until the coming of Christ. (2 Cor. 4:6) Every part of the tabernacle was designed to illustrate God’s relationship with His people.

Jesus is the New Testament fulfillment of the Old Testament tabernacle. John 1:14 says that “the Word became flesh and took up residence among us.” Jesus made His dwelling with people.

As you teach kids about the building of the tabernacle, show them God’s desire to be with His people. Emphasize that Jesus was God’s plan to bring people back to Himself. In the future, He will dwell with us forever. (Rev. 21:3)

Co-Pilot—Included Preparation:

On a Sunday morning, the Pilot is leading everyone in our ongoing journey to Jesus— that includes both flyers and Co-Pilots! The more consistency and continuity we have between Pilots, the better we can prepare our helpers to succeed and grow! With that consistency comes the mentorship aspect for our youth volunteers in particular, and utilizing our adult co-pilots as well: sharing activities, engaging them in the morning, and encouraging their involvement.

As you prepare for the lesson, ask yourself:

- **Does my planning allow for Co-Pilot participation throughout the morning?**
- **How did I prepare my Co-Pilot to help with classroom management?**
- **What specific activities will my Co-Pilot assist with today?**
- **In what ways can I encourage my Co-Pilot?**

Engagement

- Sit with child during the story
- Playing alongside flyers
- Reengage chatty/distracted kids
- Ask to volunteer an example during discussion
- Help play to Co-Pilot's strengths

Activities

- Attendance stickers
- Timeline
- Joining in the verse and BPQ&A
- Assigned to a specific flyer
- Helping find books in the Bible

Big Picture Question

Do any of you remember our big picture question? That's right: ***What is worship? Worship is celebrating the greatness of God.*** When you worship God, you keep your focus on Him. It's easier to give to others when your focus is not on yourself.

Key Passage

Show the key passage poster. Lead the boys and girls to read together Matthew 22:37-39.

Jesus taught that all God's commandments can be summed up by loving God with all we have and loving others as we love ourselves. God is holy, loving, and good; obeying His commands is good for us and others.

Timeline/Introduce Bible Story:

God had delivered the Israelites from slavery in Egypt, and He wanted to make them His special people. He made a covenant with them at Mount Sinai, and **God gave rules to show how to love Him and others.** Moses was still on the mountain when the Israelites sinned by worshiping an idol. **God disciplined His people for worshiping a golden calf.** God would have been right to destroy the Israelites, but He showed them mercy.

God loved His people. He wanted to be with them even though they disobeyed. In today's Bible story, God made a way to meet with Him. Listen to this.

Where we travel into God's word

Bible Story

Open your Bible to **Exodus 35-40** Read from the Bible or use your storytelling skills to help you tell the story.

The people came together as one community to complete a really big project: the tabernacle! **God told His people how to build the tabernacle where He would dwell with them.** So many people were involved. They gave their time, their skills, and their possessions. In fact, they gave so much that Moses had to tell them to stop. They had given more than enough materials for the project!

They worked together to follow all of God's instructions. The whole purpose of this project was to help them worship God. ***What is worship? Worship is celebrating the greatness of God.***

•*Through the tabernacle, God showed His people that He loved them and wanted to be with them. But the tabernacle didn't last forever. God had a better plan in mind to dwell with His people. As part of His plan to save sinners, God sent Jesus to "tabernacle" or dwell, with people on earth. God came down in the flesh through His Son, Jesus..*

The Tabernacle Was Built

Exodus 35-40

STORY POINT: GOD TOLD HIS PEOPLE HOW TO BUILD THE TABERNACLE WHERE HE WOULD DWELL WITH THEM.

When Moses was on the mountain with God, God said, "Tell the Israelites to make a tabernacle for Me so that I may dwell among them." God gave Moses very specific instructions for building a tabernacle, really big tent that the Israelites could take with them. The tabernacle would be where God met with His people.

So Moses gathered all the Israelites together. He asked them to bring materials. God gave two men, Bezalel and Oholiab, special skills for building and creating things. Bezalel, Oholiab, and all the other skilled craftsmen came together to build the tabernacle for God.

They built the tabernacle just as God had instructed. Every part had its special purpose and was made just as God had said.

When the time came, God told Moses how to set up the tabernacle. God told him how to anoint the tabernacle so that it would be holy.

God had led the Israelites from a cloud, and now the cloud covered the tabernacle. God made a sign for the people: If the cloud covered the tabernacle, the people would stay where they were. When the cloud lifted from the tabernacle, the Israelites would move and take the tabernacle with them.

The cloud of the Lord was on the tabernacle during the day, and fire was inside the cloud at night. All the Israelites could see it as they traveled.

Christ Connection: God instructed the Israelites to build a tabernacle where He would dwell with them. God desires to be with His people. As part of His plan to save sinners, God sent Jesus to "tabernacle," or dwell, with people on earth.

Distribute a Bible to each kid and find Exodus 25. Discuss the divisions of the Bible and where Exodus can be found. Explain the difference between the Old and New Testament and why the first five books are called the Law (which can be found in the Travel Guide). Lead the group to discuss:

1. Why did God instruct the Israelites to build a tabernacle?

Help kids recognize that God desires to be with His people. (Option: Choose a volunteer to read Ex. 25:8-9.)

2. How did Jesus make the way for us to dwell with God?

Help kids recognize that Jesus was fully God and came to live and “dwell” with His people on earth. Jesus died for our sins and rose again so everyone who trusts in Him can have forgiveness and life with God forever. (Option: Choose a volunteer to read John 1:14.)

3. After Jesus’ resurrection, He ascended into heaven. How does God dwell with us today?

Help kids recognize that when we trust Jesus as our Lord and Savior, the Holy Spirit comes to live and dwell in us. God is always with us through the Holy Spirit. (Option: Choose a volunteer to read 1 Cor. 3:16.)

God’s attributes- helping the children understand what God is like, shown to us in the Bible. In today’s story we see that God is:

-Holy -With Us

CHOOSE ONE ACTIVITY

Sculpture Garden

Provide the kids with play dough or modeling clay. Invite them to make sculptures of their favorite things, like toys, animals, or characters from TV or movies. Allow each kid a chance to share their work with the rest of the group.

- God gave us amazing brains so that we can do creative work, like making sculptures, painting pictures, or writing stories. However, it's important to remember that nothing God created and nothing people make is worthy of worship. Only God deserves worship and glory. Today we learned about a time His people chose to sin by worshipping a sculpture of a cow

Draw the Tabernacle

- God gave very specific instructions for building the tabernacle. Though we may not know exactly what it looked like, we can get a pretty good idea by reading the instructions God gave in the Bible.

Form five groups and explain that each group will read about one part of the tabernacle. Then they will draw the part to help explain it to the other groups. Assign the following sections to the groups:

The tabernacle inner curtains: Exodus 26:1-6

The tabernacle outer curtains: Exodus 26:7-14

The tabernacle frame: Exodus 26:15-29

The Holy Place: Exodus 26:31-37

The courtyard: Exodus 27:9-19

After a few minutes, invite each group to share its picture and any additional information about that part.

- Today, God gives believers the Holy Spirit, who dwells in our hearts and is always with us.

Where'd He Go?

Show a picture or figure to represent Moses. Instruct the kids to close their eyes. Hide the figure somewhere in the room and challenge the kids to find it. Whoever finds it can hide it in the next round. Play as time allows.

- We learned last week that Moses would go up onto Mount Sinai to speak with God. At one point, Moses spent more than a month on the mountaintop with God! Sadly, God's people did not wait patiently for Moses to return. Instead, they chose to sin against God.

Building Materials List

- Before you can build a house, you need to know what materials are required. I'm going to give you five minutes to list as many building materials as you can think of that you would need to build a house. The team with the most items wins.

Form teams of three or four kids. Distribute a marker and piece of paper to each team. Give the teams a 2-minute and a 30-second warning as they work. When time is up, instruct them to count their items and write their total at the end of the page. Allow them to share their lists.

- In today's story, we learned how God gave instructions to the Israelites to build Him a very special house for worship. Were any of your items on their list?

Give an Offering

- If I said to you that we are about to take up an offering, what do you think I would expect you to do? [Allow kids to respond. Most will assume giving money.] Did you know you can offer God more than just money? In Bible times, people also offered jewelry, animals, or grain. An offering can be any gift you give to God. Soon, we're going to allow you to give a different kind of offering.

Distribute a pencil and several slips of paper to each kid. Encourage them to write something they can offer God. After a few minutes, pass the offering plate and collect the slips of paper. Read the slips and discuss how God could use what's written down as part of His plan.

- Everything we have—our time, talents, and possessions—is from God, so we can use it for His glory and His purposes. In today's story how did the Israelites learn the same thing?

Broken Commandments

Write the Ten Commandments on a dry erase board or chalkboard. Ask a volunteer to briefly summarize the Bible story. Then, invite the kids to discuss which commandments the Israelites broke. Mark them on the board in some way. Then discuss ways we break God's commands in our own lives. Share the good news of the gospel with the kids as a reminder that God shows mercy to sinners.

- God disciplined His people for worshiping a golden calf. God's people broke multiple commandments in one sinful choice. We often behave in similar ways. Thankfully, Jesus has already come. Jesus died for our sins and rose again to defeat death. When we trust in Him, we are forgiven and made new.

Where we prepare to depart.

Pray:

If time, share prayer requests and allow kids to record in the **prayer journal section of their *Travel Guide*.**

ALWAYS CLOSE THE MORNING WITH PRAYER.

This is how we model incorporating prayer into their lives.

Waiting for parents/Activity Page:

Tie back into the lesson, remind them of the Big Picture Question/verse, etc...

Be sure to **re-set expectations on what their choices are while waiting for mom and dad:**

- Activity page
- Key Passage Activity (See next page for list of options)
- Coloring page
- Gospel Kit Activities
- Anything quiet at the tables you are ok with (*origami, free draw on blank paper, hangman game at white board, putting Book of the Bible cards in order, etc....*)

Be sure that the Co-Pilots hand out the Activity sheet to each child or to parents so they can go home with families.

Key Passage Review Extra Ideas:

Invite kids to sit around tables. Give each kid a pencil. Show the key passage poster and lead them to read it aloud.

Give a piece of paper to one kid at each table. Instruct him to write down the first word of the key passage and pass the paper to the person on his right. That person will write down the second word, pass the paper to her right, and so on. Kids will pass the paper around the table, writing one word at a time until they finish the key passage. When kids finish, invite groups one at a time to say the key passage together.

Display the key passage poster. Lead the kids to read it aloud. Then challenge them to read it in various ways: whispering, shouting, quickly, slowly, and so on.

Form two groups of kids. Call on the first group to say the key passage together. Then call on the second group to say it.

Prompt the first group to say the passage a few phrases at a time, pausing for the second group to echo. When kids finish saying the key passage, lead the second group to begin and the first group to echo.

Instruct kids to sit or stand in a circle. Choose one kid to begin by saying the first word of the key passage. Guide kids to say the key passage, one word at a time, moving around the circle.

Allow kids to look at the key passage poster if they need help remembering the words. Continue around the circle a few times. Consider shouting, "Switch!" and letting kids move to another place in the circle before playing again. *Or toss the ball to different kids rather than go in order.*

Before the session, write out the key passage on a chalkboard or dry erase board in eight separate phrases. Display the phrases where kids can see them. Give each kid a marker and eight craft sticks. Instruct kids to copy from the board, writing each phrase on a separate stick. Then instruct kids to mix up their sticks and then quickly rearrange the phrases in the correct order. Kids may work individually or in pairs. Provide rubber bands for kids to bundle their sticks and keep them as a method of practicing the key passage during the week.

Prayer Extra Ideas:

Prayer Chain—In small groups, ask children/co-pilot to write prayer requests on a few paper strips. Connect paper strips into a chain and display our growing conversation to the Lord. Feel free to revisit older requests as well.

Painted Rocks—Have each child choose a painted rock to write on. Write a word of encouragement, a word about Jesus, a name, etc. The goal is to take it with them and place it somewhere near their typical living space—a neighbor's house, a store, a playground, etc. Then pray over the place or the people who are there.

Pointing to a Map—Choose one or two kiddos to spin/close their eyes/find a certain color (you can be creative and have fun) and point to a country on the map. Place a pin in the place(s) and pray over it as a group. Even if you don't know anything about the country, we can lift up the people, pray for Jesus' light to shine there, the Gospel to be active there, and churches to grow, etc.

Looking out the Window—Grab a dry erase marker, have the kids gather at the windows, and look outside. Ask the children to look for 3 things they can see out of the window to pray over. Using the dry erase marker, write those things on the window (Pre-K & K may draw things) and then pray over those things. Feel free to leave them on the window, so whenever we look through, those things are brought to our mind to pray for again.

Head Shoulders Knees and Toes—Pray through the song.

- Head (mind, imagination, thoughts, creativity)
- Shoulders (physical strength, things we might be dealing with)
- Knees (dancing, playing, jumping, etc.)
- Toes (walking and following after Jesus, standing strong in our faith)
- Eyes, ears, mouth & nose (seeing goodness, listening to Him, speaking truthful words, our senses, etc.)

Preschool Carpet Bag Prayers— Choose an item(s) out of the carpet bag. Discuss the item and different people/things the item could represent (car—driving safely, mechanics, trips, first responders, etc) Encourage kids to “think outside the bag” and help them make connections. Pray over the people, places, and things that were discussed.
