Dear friend,

If you are **12–16 years old**, we would love to invite you to attend our annual Teen Conference with more than 150 young people like you. This **Annual Teen Conference** is a special event for teens that will include morning and evening services, day activities such as sports, interactive games, table games, and fellowship.

Our Goal:

Through fellowship, sports & activities, worship, services, and seminars, open biblical truth and principles related to teens age, encourage them to live those principles out in day-to-day life, encourage students to make the most important decision in their lives to accept Jesus Christ as their personal Savior, and dedicate their lives to Him.

“The power of choice” -what does it mean? Sometimes people do not realize how their daily choices affect their future. This teen conference will help you understand the power of making the right choice.

“I have hidden Your Word in my heart, that I might not sin against You.”
