Our Purpose

We believe that children are precious to God, and we strive to make them aware of and grow in His love.

It is our desire that each child develop to his/her greatest potential physically, academically, socially, and spiritually. Small Steps is not just a preschool, we are a family; and that includes you!

Curriculum & Staff

Small Steps is a child development program for children ages one year (walking) through pre-kindergarten. Our *ABC Jesus Loves Me Curriculum* is presented in a Christ-centered atmosphere with interactive learning experiences. We provide children with opportunities to observe, investigate, and grow as they begin age-appropriate learning activities.

At Small Steps, children form friendships, continue to develop their communication abilities, enhance their physical growth, and tune their motor skills. Spiritual growth is also encouraged through prayer, Bible stories, and a weekly chapel time.

We are very proud of our professional staff of teachers and co-teachers who have over 150 combined years of experience working with young children, many who have degrees. They attend continuing education seminars each year to keep current on Early Childhood Education trends and activities.

Teacher/Child Ratios
