Exodus 14:14

The Lord uses Moses

This month, we see the Lord use Moses in miraculous ways. Oftentimes, we lose sight of how the Lord has used and can use us in ways just as miraculous. Take time to share stories with your kids of times when God used you or someone in your life in big and little ways for His glory.

Discuss these questions with your family:

What was special about Moses that God used him? (hint: nothing)

Why do you think the Israelites kept complaining even when God took care of their every need?

Do you ever find yourself complaining in the same way?

What is the Manna in your life? (Things that God provides for you every day that you take for granted)

Go back and pick one thing from this list that you didn't do well last time, or that was difficult for you. Try again this month.

If you haven't explicitly shared the gospel with your child, or maybe it has been a while, find time this month to do that.
