The Plagues

This month we will be going through the plagues and talking about Passover. These chapters showcase the power of God, His heart for His people, and both God's mercy and justice playing out in the history of the nation of Israel.

Discuss these questions with your family:

Moses was called to lead, yet he felt unequipped or unworthy. Have you ever felt this way? How did God use him anyway?

How do you see the heart of God even in something like a plague on the land? Could you see the heart of God in the midst of COVID? What about another hard time in your life or in your family?

What do you think of Pharaoh?

Reflect

If you weren't at church on Sept 28th, go back and watch the service recording. If you were there, take some time to reflect with your family about what happened in that service. How did you see God move? What was encouraging? Did God say anything to you? Ask Him to speak to you now.
