PRESCHOOL AND KIDS DAY OUT

Who we are....

Welcome to Bonhomme Preschool and Kids Day Out...where children, faith, and families grow! We are so happy that you are considering our school. We would love the opportunity to care for your child and support you during these early years in your child's life.

We understand that parenting is a tremendous responsibility. We consider it a privilege to partner with you—and seek to provide a loving, nurturing, Christian environment for your child while offering support and encouragement to you in your parenting role.

Your child will come to school with natural curiosity, ready to explore, discover, learn, and create. We believe children learn best through play and hands-on experiences. Our classrooms are carefully structured so children can choose activities that will help them grow socially, emotionally, cognitively, physically, and spiritually. There are structured times in our day as well, maintaining a healthy balance between child-centered and teacher-directed activities.

People often ask what sets us apart as a school. We would say two things primarily. First, we have a wonderful, loving, caring, long-tenured staff of professional teachers. Secondly, our care for families

is unique. Bonhomme's many special activities—Fall Kickoff, Nativity Play, Spring Sing, Mother's Day Tea, Dad's Day and our annual fundraiser—have a family focus. MomCo (Formerly MOPS, Mothers of Preschoolers) meets twice monthly, and is a wonderful opportunity to meet fellow moms with young children in our school, church, and community.

In other words, we truly care about your entire family! We love what we do and would love to have you join our Bonhomme family!

Warmly in Christ,

Bonhomme Preschool and KDO is the most friendly and welcoming place. From the moment a child gets out of the car, they are welcomed by every staff member in the halls (by name, no less!). The teachers are wonderful and it's so obvious how much they care about the children. Best yet, at pickup, kids are happy and so excited about what they did and learned at school and are ready to go back the next day. As a parent, you can't ask for more than that.

We have one graduate and two current students at Bonhomme. I drop them off every day knowing they are in the best hands and will have a wonderful day learning and growing in faith. I'd recommend this school to anyone, anywhere!

It's hard to believe our daughter's time at Bonhomme has ended. Our family is so grateful for the love, friendship, and opportunities for growth your school has provided. She is perfectly equipped to enter kindergarten in the fall.
