COURSE FORMAT

6 Weeks • Tuesdays • 7:00-8:30 PM • Zoom Access Starting January 20, 2026

Course Description

This course is designed to help students study the Masterful Keys that open new pathways in consciousness to experience the sacred meaning of truth. Through exploring The Star Keys by Walter and Eron Starcke, participants will discover how to understand the Divine Process of their own life.

No matter what happens at a personal level, it is part of your own Divine Unfolding. This class will guide you to learn to understand what your life is revealing. Students will explore how we are here as Divine Humans with the mission of transformation.

Through discussion and contemplation, participants will step on the path of the "Way of the Heart" and explore what it means to "Be transformed as the Light of the World."

Course Learning Objectives

By the end of the course, learners will be able to:

- Understand the Masterful Keys that open new pathways in consciousness
- Recognize the Divine Process unfolding in their own life
- Identify what their life experiences are revealing about their spiritual journey
- Embrace their identity as Divine Humans with a mission of transformation
- Practice walking the "Way of the Heart" in daily life
- Experience transformation as the Light of the World
