## **A MESSAGE FROM THE ELDERS:**

We have the opportunity, as a community of believers, to increase the power and the impact of our prayers by simply praying with and for one another.

"WHY", however you may ask, "should we pray"? The answer is both simple and wonderful. Because God desires it. In Pr 15:8, it says, "The LORD detests the sacrifice of the wicked, but the prayer of the upright pleases him." If you've ever wondered what you can offer to God that he doesn't already have, here is something he delights in that only you can give – your prayers.

Moreover, God already knows what he wants to do. But he waits for us to get on board with his plans before carrying them out. Being created, as we are, "in the image of God" is such an exalted position. God actually waits for his people to ask for his will to be done. This makes us partners with God in accomplishing his will.

HOW then, should we pray?

With persistence. Jesus once told his disciples a parable "to show them that they should always pray and not give up..." (Lk 18:1)

And in unison with other believers. Again, Jesus said, "...if two of you on earth agree about anything you ask for, it will be done for you..." (Mt 18:19)

So prayer is an ongoing community commitment – not just an individual effort.

One of the greatest gifts that parents can give to their children is to pray with them and for them; to let them see you praying; and to teach them to pray. By doing so, you leave them a legacy that will far outlast and outweigh anything else than you can give.

Our congregation is committed to prayer. You can ask for prayers in so many ways. One such way is to ask our prayer team to pray with and for you. You can submit a request online, or drop a card in the prayer box, or meet with them in person after the lesson each Sunday. And we also ask you to pray for us that we may bless this congregation, help it to grow, and please God in all that we do.

Your Shepherds

"Therefore confess your sin to each other and pray for each other so that you may be healed. The prayer of a righteous man is powerful and effective." (James 5:16)

## **MISSION CORNER:**

Dale Lingey, of Churches of Christ Disaster Relief Inc., recently made a request for volunteers from Central Kitsap Church of Christ who are willing to write letters to the victims of natural disasters that will be distributed with the supplies as needed. Please let Teresa Pusey know if you are interested in getting a group together to complete this valuable mission. Dale will be notified and deliver the materials for this project upon receiving confirmation of interest in this project.

As you prayerfully consider stepping up for this task, consider the following excerpts from their website that reflect their mission and accomplishments:

### **Help for Milwaukee Flood Victims**

8/13/25

Today, Wednesday August 13th, around noon, a shipment of much needed food, personal care items, infant care, cleaning supplies, new clothing, pallets of water, laundry detergent, bleach, and other goods needed by families homes that have been flooded, will be unloaded by the members of the Brentwood Church of Christ in Milwaukee, located on 60th Street. These supplies should be available for families affected by the flooding a little later this afternoon. We will also follow-up with those uninsured/low-income families later on once the clean-up and any repairs are completed, helping those qualified families with appliances, furniture, mattress sets, and water heaters, to replace like items they lost due to the flooding.

Please keep these families in your prayers, there has been an excessive amount of flooding this year in the United States, a lot more than in recent years.

We're in touch with congregations in the Chattanooga, TN area, that flooded yesterday, and are ready to send supplies there or to other areas when we get the call! Thank you for your prayers and your support!
