A MESSAGE FROM THE ELDERS:

Recently, while searching the internet, this photo popped up with the following caption: **"She Was Half Ape, Half Human-and She May Hold the Secret to What Makes Us Who We Are"**. Since I already know who we are and where we came from, I resisted the temptation to waste my time following the link. But it troubles me – always has – that our culture pushes the idea that they can tell so much from an old bone.

The implications of what we believe about who we are and where we came from cannot be overstated. If we came from God, then we must recognize that he had a purpose in creating us, that we therefore have a purpose, and that the way to achieve it is by obeying Him. If we evolved from eternal matter – the hollow philosophy represented in the caption above and taught in Public Schools and Universities across our country – then we have no purpose. It seems to us that young people across our country are coming to the realization that they've been fed a pack of lies – and are turning to God in search of something more. If you find yourself in this situation, know this – you were created by God; you are unique; and God has a purpose for you that is uniquely yours.

Being a Church of Christ means that we belong to Christ and that we exist in this time and place to do his bidding. Helping others find him and turn to him is a big part of that purpose. We simply ask that you talk to us and allow us to fulfill our purpose by helping you to find yours.

"Fear not, for I have redeemed you; I have called you by name; you are mine." (Is 43:1)

MISSION CORNER:

Readers are waiting - spread the word!

In Luke 10, Jesus reminds us that, "The harvest is plentiful, but the workers are few." This is true for LST Connect! Right now, we have 15 readers, mainly male, on our waiting list.

Here's how you can help: would you be willing to spread the word? Could you place an announcement on a bulletin board at work, a grocery store, or coffee shop...? If you are already reading with LST connect, could you make a quick social media post about why LST Connect is such a meaningful way to serve?

Our prayer is to match every one of these readers with a Christian worker in the next two months. With your help, we can make it happen!

LST Connect provides English-speaking Christians the opportunity to participate in online LST reading sessions with international Readers from around the world.

To be trained as an LST Connect Worker, please register for an LST Basic Training seminar held on specific Thursdays, Sundays, and Wednesdays several times each month. To learn more and to register for Basic Training visit: <https://lst.app.neoncrm.com/np/clients/lst/survey.jsp?surveyId=112>.
