## A MESSAGE FROM THE ELDERS:

A recent episode of the TV Magazine show, "Full Measure", focused on the explosion of longevity clinics across our country. These clinics are growing at a rapid rate as the Baby Boom Generation ages and tries to delay, or even escape, death. But these people are looking for answers in all the wrong places. The truth is that the quest for long life and immortality is evidence for the truth of the Bible, which tells us that we are created "in the image of God" (Gen 1:27). God, being immortal himself, created men to be immortal and to live with him forever. That is the reason nobody wants to die. It goes against our nature, which is created "in the image of God." The reason we do not, and cannot, live forever here on earth is because of sin and the punishment for sin, which is death. "...for dust you are and to dust you will return." (Gen 3:19).

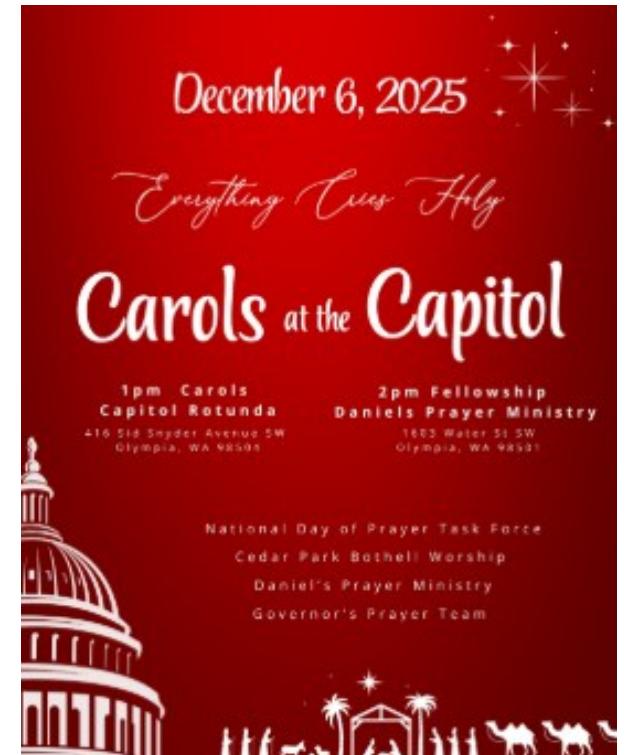

There is a way to live forever; but it is not found in science. It is found in the one who created science – and us. It is found in Jesus. In fact, the answers to all our biggest problems are found in Him. This is true in any generation, be it the Baby Boomers, or Generations X, Y, or Z. And it is true of all types of problems, be they physical, mental, or spiritual. If you need to reconnect with your creator, there is no time like the present. Do it today! And know this... when you reconnect with Him, you are reconnecting with your own nature.

*"How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!"*

*(1John 3:1)*

## MISSION CORNER:

Here is an upcoming opportunity for your friends and families to gather this season from Nealah Lee, WA State Coordinator for National Day of Prayer. Join us for a special hour of worship and caroling in the beautiful Capitol Rotunda in Olympia! This will be a special time during the Christmas season to exalt the Lord in this high place. Please plan to arrive early to park and walk into the Legislative Building, as we will have one hour in the Rotunda. We will begin at 1pm. We are privileged to have the wonderful and anointed pastors from Cedar Park Church Bothell leading us in the glorious songs of the season.

Afterward, you're invited to join us for fellowship at Daniels Prayer Ministry.

This event is hosted by the Western States National Area Leadership for the National Day of Prayer and partners.

The theme this year is "Everything Cries Holy!" Come ready to lift your voice and spirit as we sing together and celebrate Jesus in our state's capitol.
