A MESSAGE FROM THE ELDERS:

It is the week of Christmas. Of all the holidays during the year, this is an excellent time to take stock of our blessings.

First and most important blessing: (John 3:16-17) *For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.*

Second blessing: We are in a community of believers, the Church, for love and support of each other in our Christian walk. The other blessings in our life that God gives us are just too numerous to count.

This week during your prayer time it would be a superb idea to reread the Beatitudes (Matthew 5:2-12) and remember the blessings we have in God through Christ Jesus our Lord.

If you are reading this and are not a child of God, we can assist through love, study and prayer.

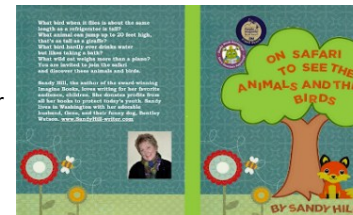

Your Shepherds

MISSION CORNER:

Need a Christmas present for a child ages five to nine? Sandy's book, "On Safari to See the Animals and the Birds", won First Place at the 2025 International Purple Dragonfly Contest. If you're looking for a gift for a child who likes to draw, check out her Read, Imagine, Draw books. The child adds their illustrations to the story. You can see all her books at www.SandyHill-writer.com. Donations are made to Freedom13 for each book sold.

Here are some excerpts from a follow-up email after a meeting with Mark Gillman regarding a dire need for Christians to engage in the crisis being addressed by the organizations listed above. Please prayerfully consider your response as you join with Mark in his inspiring prayer toward the end of the statement.

"...need for volunteers to help engage the community. This could include introductions or participating in the outreach ministries. We are compiling with all four groups a list of opportunities that is easy to understand and lets people know what getting involved means. Besides the interpersonal part of these ministries we are working to develop a unified strategy for public positioning and funding. We do have some people that know this space very well who will guide us on strategy here. We will let you know when we know more.

God, we know you have your countenance on these issues and that it grieves your heart to have so many of your children lost and afflicted. May you raise up 1000's of spokesmen among you that know you can do anything and make you bring forth many selfless foot soldiers.

Lord for each of us, may we choose to forgive those that have hurt us, offended us, abused us, despitefully used us or wronged us. Help us Lord to recognize the enemy's strategy to trap us in resentment, bitterness and unforgiveness that may keep us inwardly focused and keep us from using our gifts to fight this or other battles where our gifts are needed. Help us to be sensitive to your desire and keep us focused on how best we can serve.

Protect us in all that we do your name and help us to rejoice when we are rejected or persecuted. Father most of all we call upon your justice and if need be bring about the events necessary to bring people to their knees or any other means necessary to address the needs of all those involved...Amen"
