## A MESSAGE FROM THE ELDERS:

Are you looking forward to the New Year? 2025 has been a prosperous year for our congregation. We have grown in membership and attendance. Our outreach in the community has increased. Examples are the Food Bank, Coffee Oasis, Olive Crest, etc. We are also blessed by the number of children in the congregation. Praise our God for his mercy and love to us.

The word "hope" in the Bible is not just wishful thinking but a confident, sure expectation and certainty of God's power to work in our lives.

Biblical "peace" is not the absence of war but knowing that no matter what happens to us God is in control.

Paul wrote this to the church in Rome before he visited them.

(Rom 15:13) May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

May you have both HOPE and PEACE in the New Year

Your Shepherds

## MISSION CORNER:

Need a Christmas present for a child ages five to nine? Sandy's book, "On Safari to See the Animals and the Birds", won First Place at the 2025 International Purple Dragonfly Contest. If you're looking for a gift for a child who likes to draw, check out her Read, Imagine, Draw books. The child adds their illustrations to the story. You can see all her books at [www.SandyHill-writer.com](http://www.SandyHill-writer.com). Donations are made to Freedom13 for each book sold.

Here are some excerpts from a follow-up email after a meeting with Mark Gillman regarding a dire need for Christians to engage in the crisis being addressed by the organizations listed above. Please prayerfully consider your response as you join with Mark in his inspiring prayer toward the end of the statement.

*"...need for volunteers to help engage the community. This could include introductions or participating in the outreach ministries. We are compiling with all four groups a list of opportunities that is easy to understand and lets people know what getting involved means. Besides the interpersonal part of these ministries we are working to develop a unified strategy for public positioning and funding. We do have some people that know this space very well who will guide us on strategy here. We will let you know when we know more.*

*God, we know you have your countenance on these issues and that it grieves your heart to have so many of your children lost and afflicted. May you raise up 1000's of spokesmen among you that know you can do anything and make you bring forth many selfless foot soldiers. Lord for each of us, may we choose to forgive those that have hurt us, offended us, abused us, despitefully used us or wronged us. Help us Lord to recognize the enemy's strategy to trap us in resentment, bitterness and unforgiveness that may keep us inwardly focused and keep us from using our gifts to fight this or other battles where our gifts are needed. Help us to be sensitive to your desire and keep us focused on how best we can serve.*

*Protect us in all that we do your name and help us to rejoice when we are rejected or persecuted. Father most of all we call upon your justice and if need be bring about the events necessary to bring people to their knees or any other means necessary to address the needs of all those involved...Amen"*
