## Calling all Leaders!

This Fall we have already had a great start to the school year. We are seeing around 60+ attending our Midweek Services and growing Sunday School classes. We have attended the Call Conference for students feeling called to ministry and the Girls Conference held at First Moore. I would love to share more ways for adults to join in what God is doing here!

## Fall Back is Coming!

Our Discipleship Retreat is November 7-9  
at Camp Rock Creek in Norman, Oklahoma

Fall Back is one of the best weekends in our student ministry calendar year. It may be the cool air and camp fire time, or the just getting away from the business of life.

This year our theme is ROOTED. We will be looking at finding our lives rooted in the Word of God and knowing that our foundation is steady in Him and not in the world around us that changes regularly. Registration opens September 28.

I need adult sponsors for this great weekend, if you are interested please reach out to me at:  
cwatkins@chbcmustang.org

## MIDWEEK and More

**We talking about practice, not a game...  
We talking about practice. -Allen Iverson**

This Fall we kicked off a new focus for our Midweek lessons. The last couple years we have laid a solid foundation in the topics and books of the Bible we have walked through as a student ministry. We will be on a new 3 year cycle that will focus in on the major areas that students should know before they graduate from High

School. To start off the year we began with the question "Who Am I?". Which was centered on finding our identity and purpose in Christ. We are moving into the new series focused on Discipleship and how to follow Jesus as "The Way". Along with the new focus for midweek, we have also started having small group time at the end of the lessons, which the students have seemed to love so far!

With our student ministry growing, I would love to have more parents, or adults interested in serving with our students join what God is doing here. If you are interested in helping please reach out and we can schedule a time to meet to talk about the various areas that we could use help from Midweek to Sunday Mornings and beyond.
