TODAY...

It's Easter Sunday! We gather again to hear the remarkable story of Jesus' sacrifice and love. The idea of preparation is at the heart of every great moment in life and history. "What Are You Preparing?" is the title of Pastor Ken's message today, and Luke 24:1-12 will guide through the story of Jesus and help prepare us for these incredibly challenging times!

NEXT SUNDAY...

Rex TerBush will provide the message from God's Word next week, while Pastor Ken takes a week of vacation. "A Different Kind of Peace" In a world that is searching for peace, will we be able to find it...no. True peace only comes through Jesus. Read ahead in John 14:27.

Thank you for all of your support for the Trivia Fundraiser. We raised \$5,443.30. We are not quite there but we will get there!

THIS WEEK...

The Deacon Ministry is available to contact for support, concerns, or prayer while Pastor Ken takes a much needed week of rest and recuperation.
