

Exit to Serve Opportunity

The book of James exhorts God's people to not deceive themselves by merely listening to or reading the word. Instead, do what the word says. (James 1:22) The writer of James also encourages us to honor the poor. (James 2:5-6)

With this in mind, one of the ways we will exit to serve during OctoberFast is by donating some basic items to The Beacon, which is a local resource center for individuals and families experiencing homelessness. The purpose of The Beacon is to support men, women, and children on their journey toward stability by providing a safe space and access to essential services.

Their requested items are simple.

New women's brief style underwear, sizes small-2XL

New men's boxer brief style underwear, sizes small-2XL

New adult crew socks

Throughout OctoberFast, please enter to worship with the above items. There will be a place in the Fellowship Hall to donate these items. At the end of the month, we'll take all the donations to The Beacon.
