

The Fountain

From the Pastor...

Friends,

In last month's article I focused on how we are called to use the freedom we have in Christ to serve one another in love. In a time when self absorption is the norm, serving others in the love of Christ may seem weird.

On our youth mission trip this week, over 40 volunteers helped repair homes for people in Bertie and Washington counties in dire need. One day I took several youth to get gas and for a bathroom break at a convenience store near our work site. The owner asked if we were going to the beach. When I told him what we were actually doing he was amazed. It opened up a great conversation about why we were doing what we were doing.

We are called to be witnesses of the love of God in Jesus Christ. It has been said that St. Francis of Assisi made the statement that we should "preach the gospel at all times, and when necessary use words." Actions really do speak louder than words.

Children and Youth GROUP NEWS

cold springs

We had a wonderful "Road Trip" Bible school with 32 children attending. Many thanks to Jacquelyn Campbell and Lindsey Love for spearheading Bible School and to all the volunteers who stepped up to make it successful. The music, Bible time, games, dinner each evening and crafts were great and even in the heat we all survived. We did move the games inside the second day. Again, a BIG thanks to everyone who helped.

We also had 11 children, Church members and friends, riding the bus to Winshape Camp this year. Barbara Bost treated all of them to ice cream on Thursday when we returned to the Church and it was much appreciated.

Parents attended the last part of Friday's session and all families were treated to Chick-Fil-A meals. Winshape is sponsored by Chick-Fil-A and there were about 300 children attending the one offered in Cabarrus County. Chick-Fil-A across from the Mall on Hwy 29 was a host so give them a big thanks next time you are by there.

We are looking for some adults who love little ones to help us start a Sunday School class for ages 2 - 4. Anyone feel a nudge? Pray about it.

As this is written the youth are in Bertie County, NC helping folks who can not maintain their homes. They work in teams with 4 other Global Methodist Churches with each team taking a day to stay at their homebase to do maintenance there and cook the next meals.

They are also building a chicken coop and there are chickens waiting for their home. Their homebase is an old school and the classrooms have been turned into dorms, plenty of showers, meeting rooms and a good kitchen.

Plus there is a gym but I bet they are so tired that there is not much gym activity going on in the evenings. They say the heat is "bearable" but it's as hot (or hotter) there than it is here.

I thank each of you for your prayers for their safety and for people to see God in them. I thank all of you who put together the prayer boxes for each person and the messages you included. It means a lot to them to know they are loved by their Church family.

In August we will be going to Westford, our newest Global Methodist Church, for a back to school bash. We will also be learning about scams and AI.
