

COMMUNITY GROUP FALL 2025 CATALOG

Get Connected!

OPEN REGISTRATION

Aug 24 - Sept 7

We are so excited you are looking to join a Community Group!

Life wasn't meant to be done alone. Community Groups help you **build relationships** and **live out your faith** as you do life together in a small group that feels like family.

Our community groups meet at various times and locations. The majority of our community groups are sermon-based groups that provide a safe place for sermon reflection, discussion, and challenge with opportunities for personal application.

As you pray for a good fit, feel free to move around to different groups as the Holy Spirit leads. Our leaders expect that movement. **Our open groups are presented in this catalog.** When you're ready to sign up, there are two ways to register:

- Register online at coswayne.org/groups.
- Register at our table in the hallway by the Corner Cafe after one of the worship services on Sunday.

Welcome to the Fall 2025 Term (12 weeks) beginning September 14!

ALPHA & ROOTED

Alpha is a safe and welcoming space designed for people who are exploring questions of life, meaning, and the Christian faith. It's especially helpful if you:

- Are curious about God but not sure what you believe yet.
- Have big questions about Jesus, the Bible, or Christianity.
- Want a space to talk openly and listen to others without judgment.

If you finish the fall 2025 Alpha course, are new to COS and looking to get connected with a Community Group, or desire to practice looking for where God is working in your life, we think the best next step would be to join a **Rooted course**.

Rooted is an experience designed to help you **connect to God, the church, and your purpose**. It is relevant for anyone wherever you are in your spiritual journey. Community is built as the group connects around studying the Bible, prayer, sharing stories, and serving. We hope you join us, and we can't wait to share this experience with you.
