Proverbs 29:19

**We exist to see men grow closer to God, connect
with others, and serve those in need.**

FIRES

One way we grow deeper with one another is through community groups. Once a month, many of our groups take a break from their study and meet just guys. Our time together is casual but intentional. It is a time to know and be known, to take the mask off, and to be real with one another. This can take place around a fireplace or a candle inside. If you are interested, talk to your community group leader or contact Jim at jimd@coswayne.org.
