

Welcome to North Point Church!

Sunday Service, 9:30am

Today we begin our Fall sermon series called "We Believe: Understanding the Nicene Creed". I will not only share the history of the Nicene Creed but also why this ancient creed is critical for us to study and affirm in our culture today. We will also unpack the first stanza that asserts who God is and seek to answer why this matters. Our scripture texts for this sermon will include Genesis 1:1 and Matthew 22:15-22 9 if you'd like to read ahead. Many of you grew up

saying this creed every week in church and my goal is that we go beyond saying it and begin living into it. The following questions can help you journal, reflect, or discuss this message:

1. Pastor Rob spoke about the major religious shift we are experiencing in North America. Reflect on someone you know who has 'dechurched' and why?
2. The Nicene Creed begins with reflections on God. How did you understand the nature of God growing up, as a young Christian, and today? How has your understanding changed and how does it align with the Nicene Creed?
3. What does it matter and mean to your daily life that you are 'created in the image of God'?
