

# Who Jesus Sees

© 2024 Joe Deegan. Words and music by Joe Deegan.

1. Do you see that little boy peeking through the crowd  
Would you bring him in and set him at my feet  
You may think he's not important, but I'll say it once again  
Let all the little children come to me

## **(CHORUS)**

Cause I am drawn to the people the world can't seem to see  
I have given my heart to the ones who are in need  
There's no hidden agenda, no angle and no fee  
Cause I am here for the people who cannot give me anything

2. Do you see that gray-haired widow; she can't recall your name  
She looks at you, and her mind is almost gone  
If she ever forgets me, I'll still remember her  
When I welcome her into my Father's home

## **(CHORUS)**

## **(BRIDGE)**

Oh I love the poor in spirit, the ones that no one else can see  
When you love one of these lit - tle ones, child, it's as if you're loving me

3. Do you see that little mother picking up her boy  
From a manger on a cold and silent night  
Do you see that broken carpenter hanging from a cross  
With compassion for the thief he hangs beside

## **(CHORUS)**

## **(TAG) – including last line of Chorus**

Cause I am here for the people, I have called them my people  
I will give to the people who cannot give me anything
