EAGLE EYE BREAKFAST & LUNCH

Eagle Eye 2024 is now proud to offer the ability to purchase camp breakfast and lunch for campers of any age. This program is similar to the purchase of school breakfast/hot lunch that most schools provide. This is in no way required and campers still have the option of bringing their packed meals like in years past.

Purchasing breakfast & and lunch can be completed in three ways:

1. First, a weekly order sheet will be sent out every Monday for the following week (e.g. the order sheet for the week of May 20th will be sent out on Monday, May 13th.) This allows parents/guardians to select their camper's chosen meal(s), and that week's total will be charged to their account. The order sheet will expire on the Wednesday after it is sent out.
2. Second, parents/guardians have the option of placing an order for that day the morning of, at the drop-off station. Breakfast orders will close at 8:30 am and lunch orders will close at 9:05 am when the drop-off station closes. Orders placed this way **MUST** be paid for on-site at the time the order is placed (cash, cards, and checks are accepted).
3. An additional option has been added to your child's campsite profile where "all summer" breakfast, lunch, & and breakfast + lunch packages are available for purchase. These packages are offered at a discounted rate and allow your camper to get the chosen meal(s) every day of summer camp!
