God TIME

September
Week 4

SPECIAL WORDS:

God [point up] helps me [point thumbs at yourself] do hard things [pound fists together on top of each other twice on "hard things"].

BIBLE STORY:

David and Goliath

1 Samuel 17

BIBLE STORY TIME

We had a fun time learning about how David beat Goliath, a nine-foot Philistine giant. No one had the courage to fight Goliath except for David, who knew that God was on his side and that God would help him defeat the giant. You can read the story about David and Goliath to your child in a children's Bible in 1 Samuel 17.

BIBLE VERSE TIME

"Give thanks to the Lord [arms up in a V], because he is good [hands over heart]. **Psalms 106:1b NIV**
[Clap hands together & open like a book]

PRAYER TIME

Have your child repeat this prayer after you.

Dear God,
[Dear God.]

Thank You for the Bible story about David.

[Thank You for the Bible story about David.]

Thank you for helping me do hard things.

[Thank you for helping me do hard things.]

In Jesus' Name,
[In Jesus' Name.]

Amen.
[Amen.]

DRIVE TIME

Play a game with your child. Have them shout out all the things they see outside your vehicle that look big to them as you drive. After awhile say, "Even though something may look so big, God is bigger! God is bigger, taller, faster than anything, and He can help us do hard things."
