BIBLE STORY TIME

We had a fun time learning about how God took care of Elijah. After Solomon died many kings ruled in Israel. Some were bad kings. They did not follow God. When Ahab was king, God told Elijah, the prophet, what He wanted Ahab to do. Since King Ahab disobeyed and did not do what God told him to, there was no rain or food for a long time. God took care of Elijah by using ravens to send him food. You can read about how God took care of Elijah with your child in 1 Kings 17:1-6 in a children's Bible.

CUDDLE TIME

Think about all the ways that God cares for us. Make it a game by remembering all the amazing ways that God made us. For Example: say: "God cares for us so much that He gave us eyes to see! Point to your eyes. God cares for us so much that he gave us legs to walk and run. Wiggle your toes. God cares for us so much that he gave us a family to love. Give me a big hug. He even provides the food we eat, and the blankets that cover us while we sleep. **God** [point up] **takes care of us.** [point to self]
