

December 13-14, 2025

Opening Question: What stood out to you from this weekend's message?

Recap: BIG IDEA: God's grace is ENOUGH for both the BROKEN and the FAITHFUL.

1. God CHOOSES us and uses us for a PURPOSE greater than ourselves.
2. God COORDINATES all aspects of your life in ACCORDANCE with the counsel of His will.
3. God CONFIRMS and affirms that His PROMISES will be fulfilled through His grace in the lives of the faithful.

Up: Your Relationship with God

- This weekend, Donovan Coley explained how God does everything for his glory AND for our good. Yet, in between, we can feel that it is not for our good. Donovan also shared part of his story from when he was sent away at a young age. Can you recall a time you experienced this tension?
- Naomi felt this tension throughout the whole book of Ruth. What can we learn from her and Ruth's story?
- Donovan also explained the difference between looking for practical application vs encountering the God behind the text. How can we grow in our ability to encounter God through the text versus just looking for practical application?

In: Your Community with Believers

- Donovan explained that God's grace is enough in the inbetween. How have you experienced God's grace in the in between?
- Galatians 6:2 reminds us to, "Carry each other's burdens, and in this way you will fulfill the law of Christ." What does it look like to do this during times of difficulty?

Out: Your Outreach to the World

- How has your story impacted someone around you?

Prayer

Pray that God's grace would be evident in the 'in-between' times of life.
