Break the Ice

-This week's message talked about a great cloud of witnesses...when were you less than excited to have people witness a moment in your life?

Up

-Read Hebrews 12:1-3. What stands out, confuses, or challenges you from this passage or the message?

-What does it teach us about the character of God that He would have ways that we can partner in what He is doing in this world and in peoples' lives?

-How do you determine if God is calling you to take a specific action in your life? How do you understand if this is God's will for your life or not?

In

-Have you ever felt like God was calling you to something uncomfortable? How did you respond to that?

-What can keep you on the sidelines and from running the "race" that God has given you?

-What disciplines, practices, or habits do you have in your life that keeps you focused upon your calling?

Out

-If someone asked you for your life mission statement. What would it be or what elements would be part of that statement for you?

Prayer

-Spend time praying as a group for God make us more aware of our daily role in His work in this world.
