Break the Ice

-What's one group, team, or stage in life where you felt like you belonged the most? What was most fun or enjoyable about being part of that?

Up

-Read 1 Samuel 18:1-9. What stands out, confuses, or challenges you from this passage or the message?

-From this passage, focus on some of the differences between Jonathan and King Saul and their response to David.

In

-What does it take to have meaningful community with our lives? Be as practical as you can.

-Pastor Brad identified three blockers to meaningful community: distracted, conflicted, and guarded. Which of these do you relate to and how has this impacted your relationships?

-How does being centered on Jesus help us move beyond these blocks?

Out

-What would it look like for you to show up "devoted" to your group—not just attending, but investing?

-Would you be willing to commit to texting a person from this group every day this week and getting one thing to pray over each day?

Prayer

-Spend time praying as a group for God to continue being more of the focus and purpose of our group.
